**Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding hypnotherapy services within NHS Southport and Formby CCG.

Request/[Response](#):

Is hypnotherapy being used in the NHS

Is hypnotherapy being commissioned for the treatment of Irritable Bowel Syndrome (IBS) or has been (in the NHS)

Is hypnotherapy commissioned as a psychological intervention for the treatment of IBS

At what hospitals or clinics is this treatment used (NHS Hospitals).

[NHS Southport and Formby CCG does not routinely commission hypnotherapy services. Any request for these services would be via an individual funding request.](#)
