Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding IVF provision within NHS Southport and Formby CCG.

Request/[Response](#):

Under the Freedom of Information Act can I ask for the following information:

- How many cycles of IVF provision does your Clinical Commissioning Group provide?

[Please see the link below.](#)

Has this changed in the last four financial years, if so, from what to what?

[This change took affect from the 1st April 2015.](#)

- Does your CCG also restrict IVF for other reasons? (eg To couples where one of the people in the relationship already has a child.)
