Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding STP services within NHS Southport and Formby CCG.

Request/[Response](#):

I am writing under the Freedom of Information Act to request the following information. It's unclear from your STP site who FOI requests should be addressed to so please forward this to the relevant officer if none of you cover it.

Please state the total amount paid to any consultants, such as PwC or another external advisory firm/individual, in the production of your Sustainability and Transformation Plan for Cheshire and Merseyside.

[NHS Southport and Formby CCG does not have the specific information – we contribute to the STP costs and payments to consultants are made by the lead organisation](#)

[NHS Southport and Formby CCG total contributions for 2016/2017 are £35,130](#)

Please provide a breakdown of individual payments to private consultants.

Please say how many days/weeks they worked for.

I am ideally looking for a total management consultant spend for the entire STP. Otherwise, the spend by each of your organisations will suffice.
