Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Tier 3 CAMHS within NHS Southport and Formby CCG.

Request/[Response](#):

1. How many children and young people does your CCG currently have waiting for assessment following referral to tier 3 CAMHS services?
2. How many of these have waited for less than four weeks/between 4 and 18 weeks/18 weeks to a year/longer than a year (please break down numbers waiting according to these categories)? Please state how long the person waiting the longest has waited.
3. How many children and young people have currently been assessed as needing CAMHS tier 3 treatment but have not yet started it?
4. How many of these have waited less than 4 weeks/between 4 and 18 weeks/18 weeks to a year/more than a year in total (ie since referral, not since assessment; please break down numbers waiting according to the categories listed). Please state how long the person waiting the longest has waited.
5. Over the last year, how many referrals for CAMHS tier 3 have you had? What proportion of these are then assessed as needing tier 3 treatment?
