Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Learning Disability Services within NHS Southport and Formby CCG.

Request/Response:

I would like to make an enquiry about the LD Services for the CCG. The questions and details for the same are mentioned below,

Please disclose, in line with the Transforming Care programme and associated service models and specifications, whether your CCG has:

1. Enhanced/intensive community support services for children with a learning disability and/or autism who display challenging behaviour, yes or no;
2. Enhanced/intensive community support services for adults with a learning disability and/or autism who display challenging behaviour, yes or no;
3. Specialist community-based forensic services for children with a learning disability and/or autism who display challenging behaviour, yes or no;
4. Specialist community-based forensic services for adults with a learning disability and/or autism who display challenging behaviour, yes or no;
5. Alternative short-term accommodation for LD patients in crisis or potential crisis to avoid admission into a hospital setting, yes or no;
6. Acute learning disability inpatient services including the number of beds and whether they are in a dedicated specialist unit or existing mainstream inpatient services.

For Questions 1-6 see [appendix 1](#).
