Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding FeNO testing in Primary Care within NHS Southport and Formby CCG.

Request/Response:

1. We would like to please ask what the CCG's plans are now in regard to this, a year from the NICE publication?

[We are currently reviewing services to re-specify requirements in line with NICE guidance.](#)

2. Has a project team/manager been appointed to handle the implementation of the NICE guidelines with particular focus of FeNO testing in Primary Care?

[This is currently under review](#)

3. Have diagnostic hubs been set up as recommended by NICE in your area or are there plans do so?

[This is currently under review](#)

4. Have financial implications/savings been evaluated in the use of FeNO testing in primary care against referral to secondary care?

[This is currently under review](#)

5. Do you currently have on-going pilot studies set up in your area for FeNO testing or are there any plans for this?

[No](#)

6. Have FeNO monitors been deployed in local hubs and if so which parameters were taken into consideration, in the choice of the model used?

No
