**Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding delegated home visiting services within NHS Southport and Formby CCG.

Request/**Response**:

1. Do you delegate / outsource any home visiting services within your CCG? How many years has this service been in place?

**NHS Southport and Formby CCG do not have a delegated home visiting service.**

2. How is this managed? Including: how does the patient access the visit + how are 'suitable' patients selected for this service; who visits (e.g. GP, paramedic); how are they paid (by the practice, directly by CCG or other) and how much is this service costing each year?

**Not Applicable**

3. Have you conducted / commissioned any evaluations of this service (and if so, please could you provide me with a copy)?

**Not Applicable**
