Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding diagnostics tests within NHS Southport and Formby CCG.

Request/[Response](#):

1. Is there a person (or are there people) within South Sefton CCG who decides or advises on which diagnostic tests should be performed in Primary Care ?

If so please give the name, job title and contact details for all relevant people

[The provision of diagnostic tests would be dependent on pathways of care. Any new pathways that required diagnostics would be subject to the CCG governance process.](#)
