Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding Suicidal attendance figures in A&E within NHS Southport and Formby CCG.

Request/[Response](#):

1. I am looking for data which shows how many individuals self-presented at Southport A&E, with suicidal intentions/feeling suicidal - for example: in 2015/2016 or 2016/2017. If possible, it would be extremely advantageous if these figures were available from 2010 onwards - to see if there has been an increase, or decrease.

NHS Southport and Formby CCG does not hold this information, you may wish to refer your query to –
