Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding drug and alcohol action teams within NHS Southport and Formby CCG.

Request/[Response](#):

I am contacting all the CCG's and I would be grateful if you are able to provide a list of DAAT's that have been commissioned within your organisation's geographical area of responsibility. I'm seeking a list from each CCG with the basic information to include; name of service, address, telephone number and their email address for general enquiries. Any other information is welcomed but not essential so if you have an existing list that can be sent I can extract the information I need from it.

NHS Southport and Formby CCG does not commission drug and alcohol action teams, you may wish to refer you query to Sefton Local Authority - information@sefton.gov.uk
