**Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding psychological support for parents who have experienced pregnancy or baby loss within NHS Southport and Formby CCG.

Request/**Response**:

1. Do you specifically commission talking therapies for people following pregnancy/birth? (please delete as appropriate)
2. Are people who have had the following experiences able to access these services? (Please delete as appropriate)
3. Do you commission a specialist therapy service for the people who have had the following experiences? (Please delete as appropriate)
4. Do you hold any more information on psychological support for parents who have experienced pregnancy or baby loss that maybe useful in helping us to understand the services they can access in your area? (Free text)

[For question 1-4 - NHS Southport and Formby CCG does commission talking therapies but not specifically for people following pregnancy/birth.](#)
